14 **UNITED STATES DISTRICT COURT**

15 **DISTRICT OF NEVADA**

16 NEW ALBERTSONS, INC.,

17 Case No. 2:14-cv-01789-JCM-NJK

18 Plaintiff,

19 **STIPULATED DISCOVERY PLAN AND**
REQUEST TO EXTEND TIME FOR
DISCOVERY AND ORDER

20 vs.

21 PHAZE CONCRETE, INC. et al.,

22 (SECOND REQUESTED EXTENSION)

23 Defendants.

24 Pursuant to FRCP 6, FRCP 26, LR 26-1, and LR 26-4, the parties, by and through
25 their respective counsel of record, hereby stipulate and agree to jointly move this Court
26 for an Order to:

27 1. Extend the discovery cut-off from 6/19/15 to 8/3/15; and
28 2. Extend the deadline for filing dispositive motions from 7/20/15 to 9/2/15.

29 The parties submit there is good cause for the request and good cause, as
30 indicated, infra. Good cause also exists as to why this stipulation is being filed within 21
31 days of June 19, 2015, the discovery cutoff deadline the parties are seeking to continue.
32 Specifically, the parties filed a stipulation to continue the June 19, 2015 discovery cutoff

1 date on May 29, 2015. This was more than 21 days before the deadline. However, due
2 to errors in the stipulation and proposed order, the court denied the stipulation without
3 prejudice. As the denial order was entered less than 21 days before the deadline the
4 parties are seeking to continue and a good faith effort was made to have the stipulation
5 filed more than 21 days before the deadline, the parties submit there is good cause for the
6 court to allow this stipulation at this time even though there are less than 21 days before
7 the discovery cutoff deadline the parties are seeking to continue.
8

9 **I. DISCOVERY COMPLETED**

10 The parties have completed all necessary discovery except for taking expert
11 depositions. The need to extend discovery to take these depositions is detailed in Section
12 III, infra.
13

14 **II. DISCOVERY PLAN (DISCOVERY WHICH REMAINS TO BE
15 COMPLETED)**

16 The parties need to take the following expert depositions:

17 1. Chris Grubbs, Albertson's liability expert;
18 2. Matt Hunter, MHC & Associates' liability expert;
19 3. Harvey Irby, Las Vegas Prestige Plumbing, Inc.'s liability expert; and
20 4. Kevin Jordan, Phaze Concrete, Inc.'s liability expert, although Phaze may
21 contend the scope of his deposition may be limited as Mr. Jordan was deposed by
22

23 NJK
Albertson's prior to this action being bifurcated from Case No. 2:11-cv-00579-JCM-~~RJJ~~.
24

25 **III. GROUNDS FOR DISCOVERY EXTENSION**

26 Due to the recent settlement reached in Behroozi v. New Albertson's, Inc., Case
27 No. 2:11-cv-00579-JCM-RJJ, from which this case was severed, the parties want to try to
28 resolve the claims in this case before incurring the time and expense of deposing the

1 experts. The discovery extension is needed to allow the parties sufficient time to
2 negotiate a settlement on their own or schedule a mediation/settlement conference.
3 Accordingly, good cause exists to extend the discovery cut-off date to allow the parties
4 time to resolve this matter.

5 **IV. PROPOSED SCHEDULED FOR COMPLETING DISCOVERY**

6 The parties have agreed to extend all of the discovery deadlines in this case by 45
7 days as set forth below:

8

9 1. Extend the discovery cut-off from 6/19/15 to 8/3/15; and

10 2. Extend the date to file dispositive motions from 7/20/15 to 9/2/15.

1 This stipulation is submitted in good faith pursuant to LR 26-1. This is the first
 2 stipulated request for an extension by the parties (but the second request overall).
